

Who says you can't go home again?

The New England Chapter of the North American Lake Management Society (NEC-NALMS) invites you to "come home" to the birthplace of NALMS - New England. Located in the heart of New England and nestled on the banks of the Connecticut River, Hartford is a stellar place to view spectacular fall foliage, experience history, and exchange information with lake managers, regulators, researchers, educators, students, lake leaders and watershed stewards from around the country and the world.

Connecticut Convention Center

NALMS 29th International Symposium

Ensuring our Lakes' Future

October 27-31, 2009 * Hartford, CT

Focused on providing the tools needed to insure the future of our lakes, preliminary technical sessions and workshops at the conference will include:

- ✦ The Critical Edge - shoreline management and protection
- ✦ Stormwater management and impervious surfaces
- ✦ Alternative and innovative septic systems
- ✦ TMDLs and nutrient criteria
- ✦ Climate change impacts
- ✦ Emerging contaminants
- ✦ Toxic algae issues
- ✦ Flow regulation
- ✦ Ecology of kettle hole lakes
- ✦ Integrated and innovative management
- ✦ Forming and managing lake associations
- ✦ Invasive species prevention and management
- ✦ Dams (hydropower, dam removal, drawdown)
- ✦ Special Friday/Saturday sessions for Lake & Watershed Stewards

Abundant networking and leisure activities including:

- ✦ Evening at the Connecticut Science Center a must-see attraction for people of all ages to imagine, discover, and explore the world of science.
- ✦ The Clean Lakes Classic 5 Km run and walk on and over the Connecticut River.
- ✦ Annual NALMS Awards Banquet.
- ✦ Field trips and fun events for spouses and guests.

Abstract deadline:
May 15, 2009
