★ Database walkthrough: Wednesday, 3:30 at the JEDI booth

<https://bit.ly/heroepa>

DON'T FORGET TO:

Nominate a recorded presentation on Whova Community Board topic to be featured in a Council-sponsored webinar after the conference

SCHOLARSHIPS:

Thank you to the support from Xylem, GFS Chemicals, and for all additional donations!

Check out the Silent Auction supporting JEDI Scholarships and Initiatives!

TRAINING AND SUPPORT:

The Council plans to offer *Implicit Bias* and *How to have Difficult Conversations* classes in the future.

Additionally, the Council is developing a beta support group for those committed to progressing JEDI work. Are you interested in helping design that group? Please complete this form and the first gathering will occur after the conference.
