

NALMS 2024 Exhibitor Rules and Regulations

Contract

The applicant agrees that the North American Lake Management Society (NALMS) has the sole right to determine the eligibility of any company, agency, product, or service to be included in the exhibition, and retains that right through the end of the exhibition. No contract is formed until NALMS accepts an application and the applicant is notified. Should NALMS accept the application and later determine to prohibit the entire exhibit, the applicant agrees that its damages shall be limited to a refund of its registration fee.

Assignment of Exhibition Space

Exhibition space will be assigned on a priority system, based on your organization's total financial commitment to NALMS from prior years including exhibition space, sponsorships, and advertising as well as the number of previous NALMS symposia your organization has exhibited and your organization's corporate membership status in NALMS. NALMS will attempt to accommodate exhibitor location and other preferences; however, such accommodations cannot be guaranteed in the event of a conflict regarding space or other material conditions. NALMS has the right to assign space to the Exhibitor, rearrange the floor plan, or relocate any exhibit at any time before or during the exhibition.

Exhibit Payment and Occupation of Exhibition Space

No exhibit reservation is firm without full payment. Exhibition space on a courtesy hold may be forfeited if full payment is not received within 30 days, or upon arrival at the symposium if registered less than 30 days prior to the start of the symposium.
